

Be An Even Bigger Part of FPG!

One of the aspects of The Florida Pagan Gathering that has made it one of the Best Pagan Festivals in the Nation is the sense of Community and Family we promote. Twice each year we welcome hundreds of like-minded individuals with a wide diversity of beliefs. We gather in peace and harmony for 4 days filled with Spirituality, Fellowship, and FUN!

FPG Needs YOU! Running a Festival of this size requires numerous people in many different types of positions. Volunteer shifts help us to keep our prices as low as possible. They also help you become an important part of the festival and you meet some terrific folks you might not have met otherwise. So whether it's helping to clean up or driving the Trolley, by working together we help to keep costs down and make FPG the best it can be!

Please sign up for a shift or two at the Community Service window in the staff lodge once you arrive on site.

Volunteer for Community Service and be entered in a special drawing.

How does it work? Volunteer to present a work shop, and fill out and submit the work shop form by the deadline. Sign up for a work shift in the office. Just present the workshop or work the scheduled shift; after you have completed the workshop or shift, have your card validated by the Lugal you worked for and turn the card in at the office window for entrance into the drawing for one free and one half price registration to the next festival! BONUS: Each additional shift worked will give you an extra entry in the raffle! Only fully paid, full event registrations are eligible for the raffle.
